

THE MISSION OF SAINT MARY MAGDALENE

ICON ARTIST

This icon of Our Patron Saint, Mary Magdalene, which is proudly featured on our website and YouTube Channel, was created in July 2020 for our exclusive use by Daniel Edwardson, Licensed Layreader for the ACCC.

Daniel, or “Dan” as he is known by his friends, is currently a student at St. Mary’s University in Calgary, where he majors in Psychology and minors in Drama. Of note, Daniel, who also plays guitar and sings, has a keen interest – and gifted ability – in Art and Graphic Design. Not surprisingly, therefore, Daniel was also instrumental in designing and uploading our mission’s website and YouTube Channel.
